Dear Ms. Della Rocco:

This letter is in response to yours of September 24, 2008.

Reports filed for We the People PAC have adequately disclosed the committee's administrative expenses. Many of these are reflected in the in-kind contributions from the Allyson Schwartz for Congress committee, which have come to a total of \$2,814.80 so far this calendar year. This value represents a calculation of the value of services provided by the Allyson Schwartz for Congress committee, including the limited use of its telephones, computers, and other office equipment. Other administrative services have been provided to We the People PAC by volunteers.

Please advise if there are any additional questions about this matter.

Sincerely,  
Jeffrey T. Harbison  
Treasurer, We the People PAC
